

Curriculum Recommendations Approved by Faculty Assembly

- 1. Elimination of the School Wide Curriculum Committee – approved March 12, 2020**
- 2. Requirement that all future proposals for new programs include market research evidence that the program will attract the necessary number of students to the program at UMES – approved May 12, 2020**
- 3. Requirement that all future proposals for new programs include a marketing and recruitment plan specifically designed to attract and secure the number of students necessary for the program to at least break even. This plan must include the costs associated with implementation regardless of the location within UMES of the responsibility for implementation – approved May 12, 2020**
