## EDUCATION OR STEM MAJORS WHO NEED \$\$\$ DURING THE SUMMER

DEVELOP MINDS ... DELIVER DREAMS  
**TEACH**

The Thurgood Marshall College Fund (TMCF) is now accepting applications from junior and senior education and STEM majors for its **Teacher Quality and Retention Program (TQRP)**. TMCF will host four summer institutes held on our member-school campuses. The institute offers an exciting opportunity for aspiring educators to work with master teachers and with one another for one common purpose: to become National Board Certified Teachers who can effectively serve in high-need rural and urban schools. Visit our website today to learn more about this exciting program and opportunity.
