The Student Achievement Measure is supported by six sponsoring associations, working together to provide a more comprehensive and accurate picture of student progress and completion as students move across institutions and state boundaries.

University of Maryland Eastern Shore

The University of Maryland Eastern Shore (UMES), the state’s Historically Black 1890 Land-Grant Institution, is a teaching, research, and doctoral institution that nurtures and launches leaders in a student-centered environment, particularly from among ethnic minorities. UMES, founded in 1866, is ranked in the nation’s top tier of “America’s Best Black Colleges” by U.S. News & World Report. Committed to providing high quality programs in an ethnically diverse environment, UMES prepares students who will serve and shape the global economy. The distinctiveness of UMES is most evident in the offerings of instruction, research and service programs in major academic clusters including the liberal arts and sciences, agriculture, business, technology, education, environmental and marine sciences, allied health, hospitality, and special academic services. UMES provides 37 undergraduate programs, one Upper Division Certificate, 14 Master’s programs and 8 Doctorate programs with over 4200 students. Its unique programs in the University System of Maryland include Doctor of Physical Therapy, Doctor of Pharmacy, Bachelor’s Degrees in Aviation Science, Hospitality and Tourism Management, and PGA Golf Management. UMES is committed to providing an array of undergraduate and graduate programs in an environment that is responsive to the global perspective in education.
