

Required CITI Certifications

The IRB will not review any application until the required CITI certificates of the investigators (faculty and students) have been received.

The following guide is to help you access your CITI account or register for an account.

<https://about.citiprogram.org/en/homepage/>

Register for CITI or Login

Select **View Courses** next to University of Maryland Eastern Shore

Here you can **review** a course and **share your record** of course completion.

Under Learner Tools you can **Add a course**

Q1- Human Subjects Research

- Faculty
 - Select Biomedical Research Investigator if you are involved primarily in Biomedical research with human subjects; OR
 - Social & Behavioral Investigator if you are involved primarily in Social and Behavioral research with human subjects.
- Students, please ask your PI which of the following is most appropriate:
 - Students conducting no more than minimal risk research; OR
 - Research with data or laboratory specimens-ONLY: No direct contact with human subjects

Q2 – RCR

- Faculty and Students – Select “RCR for Human Subjects.”

Q3 – Biosafety

- Faculty and Students – Select “Not at this time.”

Q4 – Laboratory Animal Welfare – You are not required to select an option for your IRB application.
